

Stereo excellence. In tune with you.

Beolab 28 is slimmer, smarter and more surprising than any stereo speaker you've experienced before. Position it anywhere in the home, stream anything you want instantly, and be immersed in powerful studio-grade sound that adapts to your space. All in a beautifully elegant form that can be controlled with a touch.

WHY YOU'LL LOVE IT

-  Studio-grade sound with exceptional stereo imaging.
-  High-resolution wireless streaming built in.
-  Sound adapts to your space automatically.
-  Slender form, can be placed on a wall or on the floor.
-  Built with quality materials, upgradeable connectivity module.
